Gifting Portals

Looking for a truly hassle-free gifting experience?

YOU:

Send recipients a personalized message and link to your storefront.

THEY:

Choose their favorite gift. Add their delivery address. Receive a thoughtful, personalized gift within days.

**No addresses?!
No problem!**

Send gifts directly to recipients inboxes so they can input their current address for gift delivery!

**Track gifts
in real time!**

All storefronts include a dashboard where you can track all orders at any time!

**Give them EXACTLY
what they want!**

Give recipients a choice gift option, or send them something custom curated by you!

Festive gifting, *fast*.

No holiday list is set in stone. We get it. Sometimes you need hundreds. Sometimes you need a handful. And sometimes your boss tells you with only days to spare. No minimums or maximum.
